Subject: two important matters

Esaun: I write on two important issues.

First, I am obtaining very strong pushback from the Colorado court on approving your expenses for **\*last\*** year. I am trying to justify them as a one time emergency expense, but I have no similar justification for this year.

We are also at the start of a new month, September. For September and going forward, please reduce your billing to half of the prior level (\$4k/month), and document all visits to Joanne – record your hours. I need **\*both\*** to bring your billing down and to be able to defend it to the Colorado court.

If, in your judgment, Joanne needs additional support, I will see if I can bring in a trained professional, to provide that support. That is more likely to be something that the court will approve.

Second, I believe that it is time for me to visit Joanne, if possible. Please discuss this with her. I will

be in New York in two weeks, that is a good target time.

We should discuss by phone developments with her, including the potential move to a half way house. If you can provide me with name and phone number for her therapist(s) at the hospital, I would be grateful. I am at 312-503-2784. I can call you this afternoon (Tuesday) if convenient, if you tell me when.

Thank you,

Bernie
